

Scott Jeffrey

Libertarian for Governor

YES to Dancing
NO to Cabaret Laws

- Cabaret laws make dancing illegal and are used to close clubs like Coney Island High.
- NYC bars and clubs provide 27,000 jobs to young actors, artists and musicians.
- Dance laws, rezoning and smoking bans shut down nightlife to promote gentrification.
- Dancing is not a “quality of life” crime – Americans have the right to dance!
